Project Summary

"It's in your D.N.A.(Development Needs Actions) will bring together 36 participants aged 18-30, mainly with fewer opportunities and especially with financial, geographical and social obstacles, coming from 6 different European countries: Cyprus, Croatia,Italy,Slovenia,Poland and Romania.

During this youth exchange the participants will work on developing and improving their communication, selfmanagement and personal skills in order to increase their employability. Also, they will get the chance to share their own experience and good practice examples in order to learn from each other. Main objective of this youth exchange is to give the participants the knowledge and skills needed these days in the environment of increased youth unemployment. This will be reached with using non-formal learning methods, such as: workshops, public speaking practice, simulation game and many others.

This youth exchange will have positive impact on personal and social development of the participants: they will gain and improve skills that are important for young people living in the enlarged Europe like intercultural competence, ability to work in international team, language skills. This project will help participants to raise selfconfidence when being in unusual situations and also increase their interest about other countries and cultures.

Objectives of the project:

- To provide participants with the knowledge, skills and abilities needed to increase their employability;
- To develop among participants their transversal skills;
- To empower participants to use non formal education as a mean of empowering young people;
- To foster participation of young people in social life;
- To develop life skills for being an active citizen

What to bring, what to prepare

Cultural Evening: Please arrange with your country leader and participants to bring some gastronomic specialties (food and/or drinks) from your country. It is also strongly recommended to prepare and bring some material showing your country/region/city, and the traditional (or modern) music and dances.

Sports/comfortable clothes: Make sure to bring comfortable clothes
